FAQS - INDIGO CADET PILOT PROGRAM - L3HARRIS

WHAT IS THE INDIGO CADET PILOT PROGRAM?

- > The IndiGo Cadet Pilot Program has been established to cater to the growing global need for new pilots. We invite young men and women who have passed their 12th or graduated from college and aspire to be airline pilots. It involves training the candidate in 2 phases so that she/he can act as a Jr. Co-Pilot with IndiGo
- > The first phase provides the required training to obtain an Indian Commercial Pilot License (CPL) with Multi Engine (ME) and Instrument Rating (IR), followed by the second phase, which is Type Rating training for qualifying on the Airbus A320
- > In the partnership, the initial CPL phase of training will be conducted at L3Harris Airline Academy in Sanford, Florida, U.S. and the conversion from FAA license to Indian CPL will be done in India at a partner training organization arranged by L3Harris

WHAT ARE THE ELIGIBILITY CRITERIA TO APPLY TO THE PROGRAM?

Applicants must meet the following criteria to be considered for the IndiGo Program:

- > Aged between 18 and 31 years and 364 days old and of Indian nationality or holding an OCI card
- > Achieved a minimum score of 51% each in Physics, Mathematics & English in (10+2) exam
- > Possess a valid Indian Class 1 Medical certificate** (No Limitations)
- > Be in good physical condition with appropriate weight and height
- > Be fluent in English - both written and verbal
- > Have "Unique-I.D." number/ registration number (U-I.D.) at the time of admission
- > **Candidates require a Class 1/2 medical to attend airline assessment. A valid DGCA Class 1 medical (no limitations) is required at the time of signing the IndiGo Cadet Pilot Agreement.

Note: Applicants will be required to provide copies or proof of all documentation, certificates, and mark sheets at Interview stage.

WHO WILL MAKE MY TRAVEL ARRANGEMENTS?

- > All candidates are responsible for their own travel between their home location and the ground school training center in India
- > Flights from India to Florida, United States and Bangkok, Thailand are included in the program

WHO WILL PAY FOR MY MEDICAL INSURANCE DURING TRAINING?

- > The candidate is responsible for bearing the cost of personal medical insurance during his/her training.

WHERE WILL I STAY DURING TRAINING AND WHO WILL ARRANGE IT?

- > L3Harris will make arrangements for your stay during the CPL phase. The cost is included in the total fee
- > Accommodation will be arranged by L3Harris for your flight license conversion phase in India. Cost is included in the total fee
- > Accommodation will be arranged by L3HARRIS for the Type Rating phase in Bangkok, Thailand. Cost is included in the total fee

WHO WILL ARRANGE FOR MY VISA FOR TRAINING?

- > L3Harris will facilitate the visa process for your training in the U.S., and the cost to obtain your own visa is included within the total fee. You will be responsible for providing any other necessary travel related documents in relation to the training

Note: The cadet must present a statement showing that they are able to support all required expenses.

- > A320 Type Rating is conducted in Thailand, and L3Harris will facilitate the visa process

HOW LONG IS THE PROGRAM?

- > The duration of the CPL training is planned at 20 months including DGCA ground school, and conversion to the Indian CPL; Airbus A320 Type Rating is planned at an additional two months. However, DGCA licensing, scheduling, and any other delays will extend the duration of the cadet program by an estimated two to three months.

WILL UNIFORMS BE PROVIDED?

- > Yes, uniforms will be provided

WHO WILL MEET ME ON ARRIVAL IN THE U.S.?

- > An L3Harris student services representative will meet you at the designated housing location when you arrive

WHERE WILL I BE TRAINED FOR A320 TYPE RATING?

- > The A320 Type Rating training will be conducted at L3Harris' type rating training center in Bangkok, Thailand approved by IndiGo

HOW MUCH IS THE SELECTION FEE?

- > £300. Selection will involve an initial screening process, followed by a technical assessment, followed by group exercises and an interview conducted in India

IS THERE ANY PAPERWORK THAT I NEED TO SIGN WITH INDIGO?

- > At the time of signing the Cadet Pilot Agreement, the candidate is required to sign a Specialized Training Agreement whereby the candidate commits to serve IndiGo for a specified term, post successful completion of his/her training (both CPL & Type Rating)

WHAT IS THE TOTAL COST OF THE PROGRAM?

- > The total cost for this program is USD \$128,000 including taxes

IS THERE AN ADVANTAGE FOR ME TO TRAIN IN A FOREIGN INSTITUTE LIKE L3HARRIS?

- > Trainee pilot gets a dual license: As part of the IndiGo Cadet Pilot Program with L3Harris, you will graduate with a dual Federal Aviation Administration (FAA) and Indian Directorate General of Civil Aviation (DGCA) Multi Engine Commercial Pilot License and Instrument Rating (ME CPL/IR)
- > International Training Exposure: Cadets will begin their training experience in the U.S.
- > Post successful completion of this training you will be eligible for a FAA CPL which would later be converted into a DGCA CPL. The program is designed to provide cadets with international exposure both professionally and culturally to expand your horizons and imbibe the best of diverse viewpoints and practices. We believe that this will stand you in good stead in your subsequent professional development. Exposure to flying and communicating at high density international traffic airports
- > World class, state-of-the-art training facilities with exposure to Global best practices
- > Train in the world of cadet pilots: Cadets trained at L3Harris get the opportunity to mix and mingle with their contemporaries training for various airlines from all over the

world as well as qualified airline pilots who take up advanced training with L3Harris

- > Round the year flying: Not only is Florida a beautiful location, particularly for aviators, it also benefits from over 300 flyable days per year, making the training schedule quicker and more predictable
- > Hassle free selection process: L3Harris deeply focuses on selecting the right kind of candidates for training expeditiously, in a hassle free manner
- > Training course: Trainees will be trained on dually approved syllabi. Initially you will undergo training as per the Federal Aviation Administration (FAA) syllabus and the later phases will include Indian Directorate General of Civil Aviation (DGCA) recommended parts of the syllabus to help in the license conversion process
- > Uniform and equipment: All uniform and equipment required for you to complete your training will be provided by L3Harris
- > Training at global standards – delivered! L3Harris is renowned worldwide for their excellent flight training to the highest standards in the industry. You will be trained in international skies, to the highest levels of proficiency

HOW MANY HOURS WILL I TRAIN ON AN ACTUAL AIRCRAFT?

- > For ME/IR CPL students will fly minimum 220 hours in an actual aircraft
- > For Foreign License Conversion students will fly approximately 20 hours in an actual aircraft in a DGCA approved Flight Training Academy

WHAT AIRCRAFT WILL I BE TRAINING ON?

- > Cadets will fly Cessna 172, SR 20, and PA44 (multi-engine) aircraft. All aircrafts are equipped with modern “glass” cockpits and the latest avionics

WHAT IS THE WEATHER LIKE IN FLORIDA?

- > Our U.S. Academy is located in central Florida, just north of Orlando and has year round flying weather! The average temperature is 72.75 Fahrenheit (about 22.63 Celsius) and we have over 300 flyable days per year! Central Florida has more than 90% Visual Flight Rules flying days – which means essential conditions to facilitate a rapid pace through our training program.
