

+Theoretical Knowledge Training +

THEORETICAL KNOWLEDGE **TRAINING CLASSROOM BASED** **FROM £6,950**

Our unique training philosophy aims not only to achieve excellent exam results, but more importantly, to produce professional pilots whose knowledge stays with them throughout their careers.

Theoretical knowledge is full time classroom and computer based training, where you will receive industry leading tuition from highly skilled and respected instructors, alongside guided computer based study.

Key Elements of the training:

- > **Duration:** 28 weeks
- > **Type:** Theoretical Knowledge
- > **Required Experience:** PPL
- > **Training:** Classroom based*

*Subject to social distance measuring rules being lifted. Currently all ground school is conducted remotely, with daily lessons instructed via our Theoretical Knowledge Instructors.

Modules include:

Principles of Flight, Meteorology, Aircraft General Knowledge, General Navigation, Mass & Balance, Human Performance & Limitations, Instrumentation, Aeroplane Performance, Operational Procedures, Radio Navigation, Flight Planning, Air Law and Communications

Successful completion from this programme will provide you with:

- > 13 x Theoretical Knowledge exams following the latest EASA syllabus

For further details please contact us:

Entry Criteria

To apply for this programme, you must meet the following requirements:

Age and height

Aged 17 to apply.

Aged 18 to commence training.

Minimum height 5 ft. 2 in. (157 cm).

Maximum height 6 ft. 3 in. (191 cm).

There is no height restriction to commence Theoretical Knowledge training, but you will need to satisfy the height requirements before you can commence flight training.

Education and English language

Students must possess a sound basic knowledge of mathematics and be competent in the use of the English language.

Non-native English speakers must achieve at least level 5.5 in all sections of the International English Language Training System (IELTS).

Medical

Be able to obtain:

1. EASA Class 1 Medical without restrictions for Irish IAA License; or
2. UK CAA Class 1 Medical without restrictions for UK CAA License

There is no requirement to obtain a medical for Theoretical Knowledge training. But you will need to obtain a medical before flight training and MCC.

Visas

Studying in Europe:

Unrestricted right to live, study and work in the European Economic Area (EEA)/ Switzerland (e.g. EEA/Swiss national, UK national with EU settled or pre-settled status, etc).

OR

Meet the European Union requirements to qualify for an EU Student or Study visa.

Studying in the UK:

Unrestricted right to live, study and work in the UK (e.g. UK national, EU national with settled or pre-settled status, etc).

OR

Meet the United Kingdom Visa & Immigration Service (UKVI) requirements to qualify for a Visitor (study for six months or less) or Student visa (study for more than six months).

Background and selection

Produce a Disclosure and Barring Service (DBS) certificate before training can commence.

Pass L3Harris' selection process.

Costs & Funding

We understand the cost of training to become an airline pilot can be a significant financial investment, which is why we have launched the Modular ATPL programme. The Modular approach allows cadets to study for one Module at a time and only pay as they train.

Classroom based learning: £6,950 (inc VAT)

Fee Structure:

- > Initial deposit of £1,390
- > 1x instalments of £5,560
- > Payment schedule will be confirmed at time of booking

What is included in the price?

- > Full-time ATPL Theoretical Knowledge training
- > First attempt at ATPL examinations
- > All training equipment
- > Uniform

Additional Costs (to consider):

- > Accommodation (if required)
- > Selection fees (See below)
- > English language (IELTS) test (if applicable)
- > Food and personal living
- > Personal travel
- > iPad (Generation 2 or above)
- > Insurances

Selection Process:

- > Selection fees are currently waived
- > Cut-e testing and Zoom interview

Selection is mandatory. If you are a PPL holder you will not be required to sit the technical elements of selection (subject to log book review by our selection team). You will still be required to attend a Zoom interview.
